Dear Madam:

COMMUNICATION

This Communication is in response to the outstanding restriction requirement dated June 11, 2002, the shortened statutory period for filing a response expiring on July 11, 2002. In view of the within election, an action on the merits is respectfully awaited.

The Examiner has stated that the present application includes two independent and distinct inventions identified as Group I, claims 1-32, 34 and 35 directed to an adjustable extension arm; and Group II, claims 36-41 directed to a tilt assembly. Applicant hereby elects the invention of Group I, corresponding to claims 1-32, 34 and 35.

Applicant advises the Examiner that the non-elected claims 36-41 were previously cancelled without disclaim or prejudice in Applicant's Preliminary Amendment of November 29, 2001. A copy of Applicant's Preliminary Amendment is enclosed

for consideration by the Examiner. Applicant reserved the right to file one or more divisional applications with respect to the non-elected claims.

In view of the within election and prior amendment, an action on the merits is respectfully awaited with respect to all pending claims. If, however, for any reason the Examiner is of the opinion that such action cannot be taken at this time, she is invited to telephone applicant's attorney at (908) 654-5000 in order to overcome any additional issue that may be unresolved.

If there are any charges in connection with this requested Amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: **6/25/2002**

Respectfully submitted,
